PIERO ROMARE

Gothenburg 41280, Sweden

pieroromare@gmail.com ⋄ Skype: piero.romare

EDUCATION

PhD Student in Usable Privacy and Security
Department of Computer Science and Engineering, Chalmers University of Technology

Research Assistant
Department of Computer Science, University of Helsinki

MSc in Data Science
Department of Mathematics, University of Padua

BSc in Cognitive Science and Psychobiology
Department of General Psychology, University of Padua

PUBLICATIONS

P. Romare, V. Morel, F. Karegar, S. Fischer-Huebner - Tapping into Privacy: A Study of User Preferences and Concerns on Trigger-Action Platforms, In 20th Annual International Conference on Privacy, Security & Trust (PST2023), Copenaghen, Denmark

M. Carlucci, S. Cecconello, M. Conti & P. Romare - Eathentication: a Chewing-based Authentication Method, IEEE Communications and Network Security 2020, Avignon, France

M. Conti, S. Cecconello, P. Romare, M. Carlucci - A Method for User Identification through Analysis of Variations of External Auditory Canal (WIPO n° WO/2021/148932)

WORK EXPERIENCE

Chisito, Padua   *July 2019 - July 2020*
Data Scientist

SUMMER SCHOOL

Arcadian-IoT Summer School - *September 2023*

WASP Community Building Summer School - *August 2023*

IFIP Summer School - *August 2023*

Machine Learning and Security Summer School - *September 2019*

SUMMER SCHOOL

Navigating the Cybersecurity Landscape - *October 2023*
Privacy Profiles for Enhanced Privacy Permission Management in Trigger-Action Platforms

Massachusetts Institute of Technology - *September 2023*
Privacy Profiles for Enhanced Privacy Permission Management in Trigger-Action Platforms

University of Pittsburgh - *September 2023*
Usable Privacy and Security on IoT Trigger-Action Platforms

SWITS - *May 2023*
Segmenting Privacy Profiles in Trigger Action Platform Applets for Usable Permission Management

TEACHING EXPERIENCES

Teaching Assistant, Chalmers University of Technology 2022/2023
Advanced Programming in Python
Tangible Interfaces
Introductory Course in Programming

Teaching Assistant, University of Padua 2021/2022
Cognitive, Behavioral and Social Data

POSTER AND PRESENTATION
